

1

Which colony was largely settled by an English planter class from Barbados?

South  
Carolina

1

2

True or False. Charles II granted eight English noblemen a charter for the lands lying south of Virginia and north of Spanish Florida for helping him regain his throne.

True

2

3

Why did the Carolinas attract few settlers?

The proprietors set up a hierarchal, almost feudal, society that proved to be totally unworkable.

3

4

Apart from an increase in immigration, list two reasons for an increase in New England's population?

1. Typical New England families had more children than did their British counterparts. 2. More New England children survived to adulthood than did their English counterparts.

4

True or False. In the seventeenth century, a New Englander could expect to live ten to fifteen years than his English contemporary.

False. A New Englander could expect to live twenty-five to thirty years longer than an Englishman

Why did the New England colonists enjoy a more stable and well-ordered society than the Chesapeake Bay Colonists?

Unlike the Chesapeake Bay colonists, New Englanders had migrated as family units and had a more homogeneous population.

True or False. By the 1750s, black slaves made up 30 to 40 percent of the Chesapeake Bay colonies' population.

True

Why did the New England colonies enjoy wide-spread literacy?

Puritans placed a great emphasis on reading because they believed that everyone should be able to read the Bible

Which  
Massachusetts city  
became an  
international port?

**Boston**

Why did men  
outnumber women  
in the Chesapeake  
Bay colonies?

Most Chesapeake  
settlers came to the  
colonies as indentured  
servants to work in the  
tobacco fields
